

BrickedUp - GreenRocket

Neel Lodha, Max van 't Hart, Matthew de Lanoy, Tristan Little, Rob Kruger

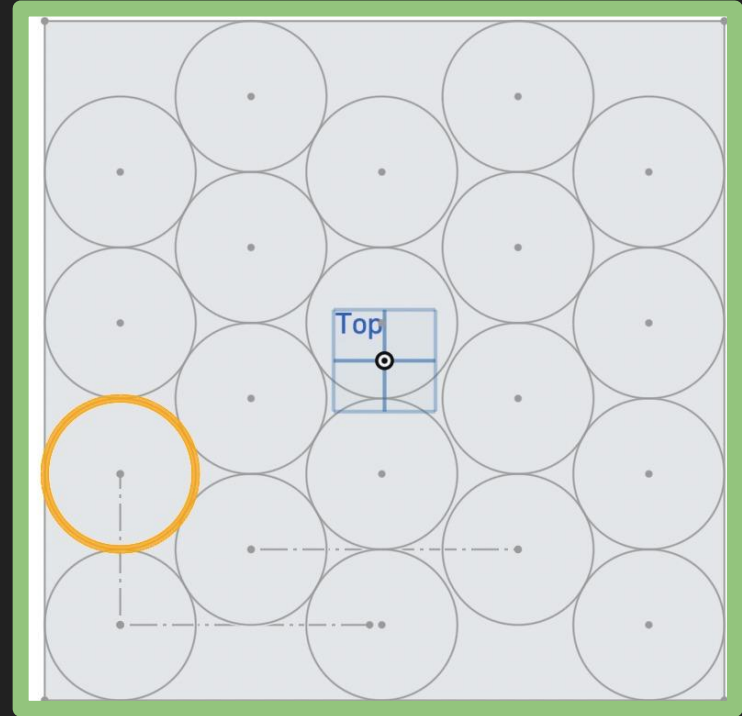

Features

- Dual extruder
- Variable Height
- Print-In-Place Autonomous non-electrical self closing and opening Clog-resistant Nozzle
- Super Stable Construction
- Easily deployable on any vehicle
- Seed-efficient

Optimized Seed placement path

- optimal placement for perfect seed density
- dual extruder allow

Print-In-Place Autonomous non-electrical self closing and opening Clog-resistant Nozzle

- Optimized for Flow
- Print in place
- Easy Replaceability
- Clog-resistant
